

**article number: 319700**

description

Large bore valve core, long  
For earth moving vehicles  
Installation torque 25 - 30 Ncm  
Valve cores for several demands available on request.

Anwendungsgebiet	Earthmoving vehicles
Art.No.	319700
Pressure range	< 20 bar
temperature	-60°C - +200°C
temperature range	-60°C - +200°C
Typ	Valve cores
TR No.	C2
opening pressure (bar)	4,5 bar $\pm$ 25%
working pressure bar	< 20 bar
PU	100
